In conjunction with the School Town of Munster, camps ran smoothly at Eads Elementary School.

Classes/Activities

Safety First (police, fire, water and weather safety), Master Chef Junior (made Breakfast Taquito's, Pizza Bagels, Mini Corn Dog Muffins and Piñata Cupcakes), Adventure Camp (experiments, creation of silly putty, learned of ecosystems and birds and Field Day Competitions), Preschool Picassos (crayons/markers, chalk drawings, watercolors and clay work), Mini Med School (Nurse, Dentist, EMT and Doctor themed with craft activities) and Whiz Kids (volcano, lava lamp and glow in the dark experiments, homemade silly putty, and learned of density.) Guest speakers consisted of Munster Police Department, Munster Fire Department, Danielle (Parks/Recreation), Prompt EMT, Community Hospital Nurse and Doctor and IL Dentist.

Evaluations

Evaluations were made available to all parents. One parent offered to help create/run classes next year. Positive comments included:

"We had a great experience, keep up the good work!" "My favorite part was making clay projects on the last day." "Great Class. Both kids looked forward to attending weekly and definitely implemented the recipes at home!" "It was amazing! I loved it."
