Subject: Beech Park Walking Path Great!

I ran into Greg at one of my favorite places, Munster Donuts, this morning and was reminded that I wanted to formally pass on my positive feedback regarding the walking path in Beech. I can't believe how a relatively simple amenity such as this could change people's lives in the neighborhood. In my 14 years of living here I've never seen so many people out and about. I've been taking my kids to the playground for 11 years and I've never seen and met so many of my own neighbors. It's a great thing for our little corner of Munster. Keep up the great work that you've been doing with our parks!

Feel free to pass on my gratitude to anyone else involved in this project!
