Re: Purchase New 2024 F-550 Truck with snowplow and dump body for Water & Sewer Division

---

Background

Munster Public Works to purchase one new 2024 Ford truck 4 x 4 regular cab with snowplow and dump body to replace an existing 2009 Chevy 1500 Truck (Unit#422) which was scheduled for replacement in 2022 in line with the Water/Sewer Division 5-Year Capital Improvement Plan.

Methodology

Bosak Ford, Burns Harbor

Chassis: Ford F550 4x4 Reg Cab	$65,044
Body: Lindco	$69,030
Minus Trade in Unit #422	$ 4,500
Total	**$129,574**

Paul Heuring Ford, Hobart

Chassis: Ford F550 4x4 Reg Cab	$72,225
Body: Lindco	$69,030
Minus Trade in Unit #422	$ 7,500
Total	**$133,755**

Sutton Ford

No response

W.A. Jones

Body: Dump body, light package, snowplow **$74,246**

Monroe Truck Equipment

Body: Dump body, light package, snowplow **$73,391**

Budget Note: Listed in our 2023 CIP as a 2022 carryover, the chassis purchase in 2023 and the dump body in 2024, both will be funded from the water and sewer budget.

Recommendation: By motion and voice vote, approve (1) 2024 Ford F-550 Truck with snowplow purchase for a net price after trade-in of **$129,574** from Bosak Ford to replace Unit #422.+
