We closed the facility to the public for the week between Christmas and New Years, this allows us to do cleaning and maintenance that we can not do while open. We had all the tile, carpet, and kitchens steam cleaned and scotch guarded; all food service equipment serviced; fire suppression systems checked, kitchen hoods cleaned and serviced; and all windows in building were re-centered.

Banquets has been busy with appointments for the upcoming 2015 and 2016 event seasons, we currently only have July 12, 2015 (wedding cancellation) available from April through October.
