Re: Water Bill Adjustment 2016-18

At the April 8, 2013 meeting, the Council adopted a policy to allow water bill adjustments due to water leaks. Under the policy, the customer must sign an affidavit stating there was a leak, the leak has been repaired, and request an adjustment from the Water Board. Adjustments are allowed one time per twelve-month period. The adjustment is based on an average of the usage over the previous twelve months.

Staff has received a request for an adjustment under this policy. The customer has completed the required form and the request meets all the criteria for an adjustment. The average usage for this customer is 1,000 gallons/month and the period in question had 20,000 gallons. The original bill amount was \$58.90. The requested adjustment amount is \$49.60 which represents water usage and sales tax. With the adjustment, the total due will be \$9.30.

Recommendation:

As part of the Consent Agenda, approve the adjustment of \$49.60 to the account in question as a result of a water leak.
