Re: CCMG 2022-2 Release of Final Retainage

Background

The Town of Munster received a Community Crossing Matching Grant for street paving under the 2022-2 call. Streets to be paved included Beverly Place, White Oak Avenue, and Camellia Drive. Work on Camellia Drive included water main replacement. On March 6, 2023, the Town Council awarded the contract for the CCMG 2022-2 paving project to Milestone Contractors North, Inc.

Methodology

Work began on the project in May and was substantially completed in October. Milestone has submitted a release of final retainage.

SEH, the Town's engineering consultant has reviewed and recommends the release of final retainage in the amount of \$167,408.14.

Recommendation

By motion and voice vote, approve the final release of retainage for Camellia, White Oak and Beverly (CCMG 2022-2) in the amount of \$167,408.14.
