# PLANAPALOOZA™

## What's a Planapalooza™?

\plan•uh•puh•loo•zuh\ n.

A Planapalooza™ is an intense, participatory design, and public input process where you are invited to work directly with your neighbors, fellow business owners and a multidisciplinary consulting team. **The entire process is open to the public.** So please join us as we work together to prepare a Character-Based Code that will protect and enhance Munster and set a clear vision for the future.
