From: Marty Hybl

Proposal Number: 191314

Subject: REVISION 2: Forest Ave. East Alley Between Beverly & Broadmoor - Munster, IN

If a permit is required, the cost of obtaining the permit will be added to the price of the project. Prices are firm for **30 days** from the date of the proposal. We maintain full insurance coverage and will provide a certificate upon request.

We Propose the Following:

Base Bid

Asphalt Pavement Replacement – 4.5” Asphalt Paving – 1,555 sq. yds.

- Mill, grind, remove and haul off existing 4” asphalt pavement.
- Mill, grind, remove, excavate and haul off additional 3” at apron ends 40 feet at each street junction.
- Fine grade and compact existing aggregate base.
- Furnish, deliver and install 3” binder asphalt base at apron ends 40 feet at each street junction.
- Furnish, deliver and install 3” of binder asphalt.
- Sweep and clean new binder asphalt pavement.
- Furnish, deliver and install Tack coat.
- Furnish, deliver and install 1.5” of surface asphalt.

Base Bid Price:

\$58,330.000

NOTE – If the project cannot be completed in 2019 due to unfavorable weather, Site Services will honor the above-price for Spring of 2020 work.

Terms - Balance due upon completion, Net 30 days. Interest of 1½% per month will be added to all past due, unpaid balances. Customer is responsible for the costs of collection of past due accounts, including but not limited to court costs and attorney fees.

Cordially,
Marty

PROPOSAL CONDITIONS

1. Proposal includes **2** mobilization for paving. Surface course to be placed immediately following the binder course in the same mobilization. Additional charge of \$4,500.00 will be added for each additional mobilization.
2. Base Bid does not include aggregate base and/or sub-base improvements. No import/export of base material is provided for additional material required to remedy aggregate base and/or sub-base imperfections.
3. Sub-base proof rolling is excluded.
4. Proposal is for project as per plan and must be accepted within 30 days of the above date. Additional costs will be billed should the project scope change drastically.
5. Sales tax is NOT included.
6. Work to be performed during **2019-20** construction season.
7. Labor and material are warranted for ONE year from the date of completion of our work.
8. Construction engineering and layout are to be provided by OTHER'S.
9. Bonds and permits are excluded. If required, they will be provided at an ADDITIONAL cost to the Owner.
10. Traffic Maintenance and Control are to be provided by OTHER'S.
11. No asphalt material testing is included.
12. Asphalt milling, sweeping and saw cutting not specified is excluded.
13. No landscape restoration is included.
14. Additional asphalt pavement removal and/or patching not specified is excluded.
15. Proposal is based on a five-day work week. There will be an additional charge for Saturday and/or Holiday hours.

PROPOSAL ACCEPTANCE

To accept this proposal, sign below and send a copy back to me. Work will only be scheduled after the signed proposal has been returned, or a purchase order has been issued.

Accepted by: _____ Date: _____
