Mr. Dustin Anderson

Munster, IN 46321

Dear Dustin:

Rieth-Riley Construction Co., Inc. has completed the 2020 Roadway and Water Main Improvements project on Harrison Avenue, Margo Lane, and Hohman Avenue. The attached two pay applications are for release of retainage for the two DES numbers assigned to the project. As you recall, the project is partially funded through the Community Crossings Matching Grant program. Two DES numbers exist for the project – one for Hohman Avenue and one for Harrison and Margo.

Pay App. No.	DES No.	Total	CCMG Eligible
4	2001367	\$23,315.82	\$23,315.82
5	2001370	\$83,409.93	\$58,092.87*

* Pay Application No. 5 includes the water main work on Harrison Avenue which is not eligible for reimbursement under the CCMG program.

SEH was onsite observing the construction; we have reviewed both documents and recommend the pay applications for payment. Please do not hesitate to contact me if you have any questions or require additional information.

Sincerely,

Jill E. DiTommaso, PE
Engineer
