RE: STRAIGHTENING OF THE EXISTING SIREN POLE AT FITNESS POINT

PROPOSAL

Midwestern Electric, Inc. proposes to furnish the material and labor to complete the following:

1. **STRAIGHTEN** out the existing wooden pole that is installed on the West side of Fitness Point.
2. **PROVIDE** all necessary equipment, wedges, material, etc. needed to straighten the pole. Keep the disturbance of any landscaping to a minimum. If any small trenches are left in the existing grass area, fill in with clean black dirt and grass seed when finished.
3. **DISPOSE** of any garbage from site.

Total Cost: \$2,935.00

***Total cost includes all labor, material, equipment, vehicles, etc. for a complete installation.**

All work covered in this proposal will be installed in a workmanlike manner, and in accordance with all local and State electrical codes.

This scope of work to be performed during normal working hours of 7:00am thru 3:30pm, Monday thru Friday.

The proposal may be withdrawn by Midwestern Electric, Inc. if not accepted within 30 days.

Please sign below so that we may proceed and complete the work required.

Respectfully submitted,
Adam Hayden
Superintendent
Midwestern Electric Inc.
