

Memo

To: Munster Town Council
From: Stephen F. Scheckel, Chief of Police 
CC: Munster Board of Safety
Date: June 6, 2022
Re: Seized Vehicles

The Munster Police Department previously acquired two (2) vehicles in inventory through seizures that now require disposition. The Police Department put the vehicles up for bid, compliant with state law, and as outlined in the seizure orders.

The following vehicles were placed up for bid at Govdeals.com. Bids were accepted electronically through Govdeals.com for a period determined by them. The items are as follows:

- 2007 Dodge Grand Caravan VIN # 2D4GP44L87R306470
- 2007 Chevrolet Impala VIN # 2G1W758K377154554

Please note that seized vehicles are only allowed to be in our fleet for up to three (3) years, and then they must be sold. The proceeds are divided between the Lake County Prosecutor's Office, Attorney's fees, and the Town of Munster.

Recommendation

By motion and voice vote, grant the Police Department the authority to reduce our fleet of the items listed above.
