

To: Dustin Anderson – Town Manager
From: Stephen Gunty – Director of Public Works
Meeting: December 19, 2022
Re: Purchase New 2023 Ford F250 for Street Division

Background

Munster Public Works to purchase one new 2023 Ford F-250 truck 4 x 4 regular cab to replace an existing 2014 Chevy 1500 Truck (Unit#320 in the Street Division fleet) which is scheduled for replacement in 2022 in line with the Street Division 5-Year Capital Improvement Plan.

Since 2021 only limited & short duration windows of opportunity to order new trucks have been provided by truck manufacturers. Ford opened their purchasing window recently. Chevrolet could not promise they could order and if they could it would be the LT package which is much higher. Sutton Ford will not take trade-ins.

Methodology

Paul Heuring Ford, Hobart

Chassis: Ford F-250 4x4 Reg Cab	\$73,742
Minus Trade in Unit #320	<u>(\$18,000)</u>
Total	\$55,742

Bosak Ford, Burns Harbor

Chassis: Ford F-250 4x4 Reg Cab	\$77,771
Minus Trade in Unit #320	<u>(\$18,000)</u>
Total	\$59,771

Budget Note: Funding will be from 2022 G.O. Bond 4413-9152121-64440.

Recommendation: By motion and voice vote, approve (1) 2023 Ford F250 Truck with Boss snowplow purchase for a net price after trade-in of **\$55,742** from Paul Heuring Ford to replace Unit #320.
