

MEMO

TO: President Gardiner and Members of Council

FROM: Jill E. DiTommaso, PE
Deputy Town Manager

SUBJECT: Community Crossing Matching Grant – INDOT

DATE: January 16, 2023

Background

The Indiana Department of Transportation administers a matching grant program called Community Crossings. The Town of Munster has successfully competed for over \$5 million in grants for paving our local streets. There are typically two calls for funding each year. Funding is awarded well in advance of the intended construction period.

Methodology

The Town submitted a single application to INDOT during the second call for projects in 2022. We were awarded our grant in December 2022. Contract #069638 is to complete the reconstruction of three local streets. The impacted areas are as follows:

<u>Street</u>	<u>From</u>	<u>To</u>	<u>Miles Improved</u>	<u>Estimated Cost</u>	<u>CCMG Ask</u>
Beverly Place	State Line	Hohman	0.158	\$664,310.00	\$332,155.00
Camellia	Fran Lin	Hawthorne	0.193	\$283,995.00	\$141,997.50
White Oak	Fairway	River Drive	0.202	\$335,745.00	\$167,872.50
TOTAL			0.553	\$1,284,050.00	\$642,025.00

The value of this grant is \$625,347.52. Please note that it is lower than our ask because awards are limited to \$1 million per year per municipality.

Recommendation

Authorize the Town Manager to execute Contract #069638 with the Indiana Department of Transportation in the amount of \$625,347.52 to reconstruct 0.553 miles of local streets.
