**To:** Munster Town Council  
**CC:** Town Manager Dustin Anderson  
**From:** Chief of Police Stephen Scheckel  
**Date:** April 17, 2023  
**Re:** Modification of Salary Ordinance

---

The police department is respectfully requesting a modification to the Town of Munster's 2023 Salary Ordinance. The Ordinance currently sets the department's sworn officers at forty-three (43). The department would like to set the sworn strength to forty-four (44) officers. This would facilitate the departments wish to bolster the night shift with an extra officer, and enhance our proactive policing efforts.

## **Recommendation**

I respectfully request the Town Council increase the number of sworn officers from forty-three (43) to forty-four (44).
