Daymon,

There is a difference in price from the quote and final invoice for the Avigilon server because of extra hours that were needed to complete the job. The additional hours were needed because of the mishaps that involved Impact Networking. We ran into many issues with the network infrastructure that Impact has control over. We worked with them to try and correct the issues as quick as possible and to not go over the allotted number of hours that were set for this project. Unfortunately, this did lead to more hours needed to complete. If you have any questions please let me know.

Thanks,

Bob Stout

MOLD, OBSTACLES AND HAZARDOUS CONDITIONS: Subscriber shall notify VERMILLION in writing of any undisclosed, concealed or hidden conditions in any area where installation is planned, and Subscriber is responsible for removal of such conditions. In the event VERMILLION discovers the presence of suspected asbestos or other hazardous material, VERMILLION shall stop all work immediately and notify Subscriber. It shall be Subscriber's sole obligation to remove such conditions from the premises, and if the work is delayed due to the discovery of suspected asbestos or other hazardous material or conditions then an extension of time to perform the work shall be allowed and Subscriber agrees to compensate VERMILLION for any additional expenses caused by the delay but not less than \$1000.00 per day until work can resume. If VERMILLION, in its sole discretion, determines that continuing the work poses a risk to VERMILLION or its employees or agents, VERMILLION may elect to terminate this agreement on 3 day notice to Subscriber and Subscriber shall compensate VERMILLION for all services rendered and material provided to date of termination. VERMILLION shall be entitled to remove all its equipment and uninstalled equipment and material from the job site. Under no circumstances shall VERMILLION be liable to Subscriber for any damage caused by mold or hazardous conditions or remediation thereof.

28. NON-SOLICITATION: Subscriber agrees that it will not solicit for employment for itself, or any other entity, or employ, in any capacity, any employee of VERMILLION assigned by VERMILLION to perform any service for or on behalf of Subscriber for a period of two years after VERMILLION has completed providing service to Subscriber. In the event of Subscriber's violation of this provision, in addition to injunctive relief, VERMILLION shall recover from Subscriber an amount equal to such employee's salary based upon the average three months preceding employee's termination of employment with VERMILLION, times twelve, together with VERMILLION's counsel and expert witness fees.

29. NON-DISPARAGEMENT: Neither party to this agreement shall publish or communicate on any written or electronic forum or social media any disparaging comment, negative review, recommendation, evaluation, or report of the other unless required by law. Because a violation of this provision would result in damages that may be difficult to prove, the parties agree that a party violating this provision shall be liable for damages in the amount of \$10,000.00 as and for liquidated damages and not as a penalty, and no actual damages need to be proved. Additionally, a party to this agreement required to commence any lawsuit or arbitration to enforce this provision shall be entitled to injunctive relief and its legal fees.

30. FALSE ALARMS / PERMIT FEES: Subscriber is responsible for all alarm permits and fees, agrees to file for and maintain any permits required by applicable law and indemnify or reimburse VERMILLION for any fines relating to permits or false alarms. VERMILLION shall have no liability for permit fees, false alarms, false alarm fines, police or fire response, any damage to personal or real property or personal injury caused by police or fire department response to alarm, whether false alarm or otherwise, or the refusal of the police or fire department to respond. In the event of termination of police or fire response by the municipal police or fire department this agreement shall nevertheless remain in full force and Subscriber shall remain liable for all payments provided for herein. Should VERMILLION be required by existing or hereafter enacted law to perform any service or furnish any material not specifically covered by the terms of this agreement Subscriber agrees to pay VERMILLION for such service or material.

31. SECURITY INTEREST / COLLATERAL: To secure Subscriber's obligations under this agreement Subscriber grants VERMILLION a security interest in the security equipment installed by VERMILLION and VERMILLION is authorized to file a financing statement.

32. CREDIT INVESTIGATION: Subscriber and any guarantor authorize VERMILLION to conduct credit investigations from time to time to determine Subscriber's and guarantor's credit worthiness.

33. FULL AGREEMENT / SEVERABILITY: This agreement along with the Schedule of Equipment and Services constitutes the full understanding of the parties and may not be amended, modified or canceled, except in writing signed by both parties, except VERMILLION's requirements regarding items of protection provided for in this agreement imposed by Authority Having Jurisdiction. Subscriber acknowledges and represents that Subscriber has not relied on any representation, assertion, guarantee, warranty, collateral agreement or other assurance, except those set forth in this Agreement. Subscriber hereby waives all rights and remedies, at law or in equity, arising, or which may arise, as the result of Subscriber's reliance on such representation, assertion, guarantee, warranty, collateral agreement or other assurance. To the extent this agreement is inconsistent with any other document, agreement, purchase order or understanding between the parties, the terms of this agreement shall govern. Should any provision of this agreement be deemed void, the remaining parts shall not be affected.

Councilor Schoon, with a second by Councilor Mellon, to declare surplus and approve the disposal of the listed equipment from both the Clerk-Treasurer and the Police Department. Councilors Schoon, Mellon, Tulowitzki, Koulourides, and Gardiner voted in favor; none voted against. Motion carried.

PURCHASE OF NEW SERVER FOR POLICE CAMERAS

The Police Department intersection cameras and license plate readers are housed on a server which is out of date and no longer under warranty. Replacement of this server was included in previous municipal bond issues. Staff has consulted police departments in the area and Vermillion Systems, Inc. was recommended.

Councilor Schoon moved, with a second by Councilor Koulourides, to approve the Standard Commercial Security Agreement with Vermillion Systems, Inc. for the purchase of a new service at a cost of \$49,939.43 contingent upon the striking of paragraphs twenty-one (21), twenty-four (24), and twenty-five (25) in its entirety. Councilors Schoon, Mellon, Tulowitzki, Koulourides, and Gardiner voted in favor; none voted against.

LANSING COUNTRY CLUB: NON-BINDING LETTER OF INTENT

The Northwest Indiana Forum received a Regional Economic Acceleration and Development Initiative (READI) grant from the State of Indiana in the amount of \$24.7 million. From that, \$1.4 million is budgeted for infrastructure costs associated with the development of the Lansing Country Club site. The Forum needs assurances that the potential development is still being considered so that the funding does not revert back to the State for use elsewhere.

Attorneys representing the Town and Saxon Partners have prepared a non-binding letter of intent for this purpose. The letter does not obligate the Town to the project.

Councilor Tulowitzki asked Staff for a status update.

Councilor Mellon explained that the Plan Commission has approved phases of the project with the caveat that the developer is proceeding at their own risk as there is no development agreement in place.

Clerk-Treasurer Mis explained corrections to some of the calculations in the letter.

Councilor Schoon moved, with a second by Councilor Tulowitzki, to accept the proposed letter and authorize the Council President or his designee to sign on behalf of the Town. Councilors Schoon, Mellon, Tulowitzki, Koulourides, and Gardiner voted in favor; none voted against. Motion carried.

NICTD INVOICE #3982: WESTLAKE CORRIDOR PROJECT

On May 16, 2022, the Munster Town Council executed two written commitments and agreements with the Northern Indiana Commuter Transportation District (NICTD). The First Written Commitment and Agreement directed NICTD to authorize its Design-Build Contractor to proceed with a change order for the design and
