ATTN: LUKE KERN

SUBJECT: INSTALL NEW RTU AT THE PUMPING STATION

Mr. Kern,

As requested, Budd Mechanical Systems, a **Certified Woman Owned Business**, is pleased to provide pricing for the above-named subject matter. The following is a brief scope of work to be performed:

- Disconnect existing power wiring, control wiring, gas pipe, return and supply duct from old RTU
- Remove and properly dispose of old RTU
- Set new Daikin 6-ton, R410a, gas RTU and economizer in same location as before on new curb
- Manufacture and install all necessary sheet metal and fittings to tie in existing supply and return duct into to RTU
- Re-connect existing power wiring, control wiring and gas pipe to new RTU
- Start-up, check and adjust new equipment per manufacturer's recommendations
- Work quoted during regular working hours, M-F, 8:00am – 4:30pm

All for the sum of \$17,921.00

NOTE: Equipment IS currently in stock

Sales Tax is NOT included

Crane Lift IS included

Please Note there is a 3.5% service charge on all credit card purchases

Warranty: Budd Mechanical offers a one (1) year warranty on our professional workmanship

Daikin: Offers a one (1) year warranty on the equipment

There are NO manufacturer or NIPSCO energy rebates available for this equipment

NOTE: Due to market volatility, Budd cannot provide equipment availability or hold pricing until order is placed and may withdraw this proposal if not accepted within thirty (30) days.

A finance charge of 1.5% per month will be assessed to accounts thirty (30) days after invoice date. In the event of default payment, I/We do hereby agree to pay reasonable collection costs and/or reasonable attorney fees incurred by Budd Mechanical Systems in the collection of the amount due.

TERMS AND CONDITIONS:

1. Any existing duct or airflow issues not addressed at the time of quotation are not included in the pricing above.
2. Warranty work is performed during regular working hours, but can be performed after normal hours if Customer, in advance, agrees in writing to pay the difference between standard labor rate and overtime labor rate.
3. All deposits are non-refundable once equipment is ordered.
4. Until final payment is made, Budd Mechanical Systems retains ownership of all material and equipment even if already installed. The Customer hereby grants Budd Mechanical Systems a security interest in all products sold or delivered hereunder to the Customer, whether presently in the Customer's possession or hereafter acquired.
