

Memo

To: Munster Town Council
From: Chief of Police Stephen Scheckel
Date: May 5, 2025
Re: Additional Stop Signs

At the April 15, 2025 Speed Team meeting, the possibility of installing additional stop signs on Harrison Avenue and Oriole Drive was discussed based on residents' concerns. Installation of the proposed stop signs would facilitate safe crossings for pedestrians, especially children in the school zones. Stop signs were proposed at the following intersections:

- Harrison Avenue/Briar Lane
- Harrison Avenue/Evergreen Lane
- Oriole Drive/Southwood Drive
- Oriole Drive/Greenwood Avenue

Recommendation

By motion and voice vote, authorize the Munster Public Works Department to install stop signs at the purposed intersections.
