Re: Bunker Rake replacement purchase

The Town of Munster is seeking to replace the 2011 Toro 5040 bunker rake for the Centennial Park golf course with a new 2025 model. Dan Augdahl, Centennial Park Golf Course Superintendent solicited proposals for similar equipment from three different vendors. This purchase would be funded from the Town's 2024 G.O. bond from the park vehicles and equipment line item.

The below table is a brief summary of the three proposals which include a credit for the trade-in of the 2011 Toro 5040 bunker rake. The following page from Dan Augdahl details further information of his review of each proposal along with copies of each proposal.

Vendor	Model	Cost
Revels Turf and Tractor, Elgin, IL	John Deere TruFinish 1220 Utility Rake	\$28,380.94
Reinders, Mundelein IL	Toro Sand Pro 5040	\$28,919.26
Burris Equipment, Joliet IL	Smithco Sand Star III	\$27,150.00

Recommendation:

Following the recommendation and comments from the golf course superintendent, staff is recommending the approval of the proposal from Revels Turf and Tractor, with a quote ID #32601354 for the purchase of the John Deere TruFinish 1220 Utility Rake for a cost of \$28,380.94 after trade-in allowance.

Quotes for new bunker rake

Centennial Park Golf Course would like to replace our 2011 Toro 5040 bunker rake. The machine has 3472 hours and is used on an average of 5 days a week from April through October. Quotes were received from 3 vendors. All included trade-in of the old machine. All quotes are with Troon pricing which is better than Sourcewell pricing.

In order of preference

1) John Deere TruFinish 1220 Utility Rake **\$28,380.94**

Revels Turf and Tractor

This includes a trade in value of \$1500. Best service and quality. Our mechanic prefers to work on John Deere machines when possible. Overlapping components help reduce inventory of parts.

2) Toro Sand Pro 5040 **\$28,919.26**

Reinders

This includes a trade in value of \$1750. Second choice. This machine is a newer version of the machine we would like to replace. Nice machine.

3) Smithco Sand Star III **\$27,150.00**

Burris Equipment

This includes a trade in of \$800. This machine is normally used on ballfields to rake flat areas. Not many sold to golf courses. Burris has the worst parts and service of the 3 vendors.

*DAN AUGDAHL,
GOLF COURSE SUPERINTENDENT*
