

INSTRUCTIONS FOR FILING A PLAN COMMISSION APPLICATION

Prior to submittal of a Plan Commission application, a petitioner must attend a pre-application meeting with the Planning Director and a Site Plan Review Committee meeting.

1. FILING THE APPLICATION

- a. An application for Plan Commission petition can be obtained at the Community Development Department, Town Hall, 1005 Ridge Road, Munster, Indiana, 46321.
- b. The complete application must be submitted to the Community Development Department between the hours of 8:00 a.m. to 4:00 p.m., Monday through Friday, at least fifteen (15) calendar days before the date of the Plan Commission meeting. The Plan Commission meets the second Tuesday of each month at 7:30 p.m., at the Town Hall.
- c. Submittal of an application with supporting documents to the Community Development Department must be accompanied by payment of a fee, which is calculated by the Community Development Department and paid at the Office of the Clerk-Treasurer.
- d. If the person filing the petition is not the current owner of the property, he or she must be authorized in writing by affidavit to act on the owner's behalf, which is included in the application packet.
- e. The Community Development Department staff will review the application for completeness. If determined to be incomplete, staff will notify the petitioner and the review of the application will be suspended until a complete application is received. If determined to be complete, the petition will be placed on the agenda of the next regularly scheduled Plan Commission meeting.

2. PLAN COMMISSION HEARING

- a. The Plan Commission meets the second Tuesday of each month at 7:30 p.m., at the Town Hall.
- b. The individual that filed the petition must be present to explain the request.
- c. Meeting #1 – Preliminary Hearing: At the Plan Commission meeting in which the request is first heard, the Plan Commission will receive information about the project but will not take action to approve or deny. A preliminary hearing is not required for development plans.
- d. Meeting #2 – Public Hearing: In order to take action on an application, state law requires that the Plan Commission first hold a public hearing and allow neighbors and other affected property owners of record to speak in favor or against the request.
- e. Notice of the public hearing shall be given by the petitioner in the following manner:
 - i. **Publication.** The petitioner shall, at petitioner's expense, publish a legal ad in the Northwest Indiana Times at least ten days prior to the public hearing.

- ii. **Mailed.** The petitioner shall send notice of the public hearing by certified mail to all property owners who own property within 200 feet of the proposed subdivision at least ten days prior to the hearing. The Community Development Department will provide a list of property owners and addresses. Upon sending the certified mail, the petitioner will receive a white ticket for each letter. The white tickets, (certified mail receipts), must be submitted to the Community Development Department no later than 10 days prior to the public hearing. The read receipts, which are green tickets, must be submitted to the Community Development Department upon receipt.
 - iii. **Posted.** The petitioner shall post a sign with information about the public hearing prominently on the property for at least ten days prior to the public hearing using a sign provided by the Town of Munster. There is a charge for the sign and a deposit for the post which is refundable when the post is returned. The sign must be placed in plain view and legible from the street fronting the property.
 - iv. **Proof.** The petitioner shall be responsible for returning proof of notice to the Community Development Department no later than 24 hours prior to the public hearing. Failure to provide proof of notice will result in a tabling of the public hearing.
- f. At the Plan Commission meeting during which the public hearing is held, the chairman of the Commission will open the public hearing and ask if there is anyone wishing to speak in favor or against the petition.
- g. The Plan Commission may continue or close the public hearing. Continuing the public hearing to the next meeting usually means that more information is needed before a decision can be made. Closing the public hearing means that the Commission believes they have received sufficient public input.
 - i. In the case of a subdivision request, the Plan Commission is authorized to approve, approve with conditions, or deny.
 - ii. In the case of a rezoning request, the Plan Commission is authorized to forward a recommendation to the Town Council. The recommendation may be to approve, approve with conditions, or deny. The Plan Commission may also vote to forward the petition to the Town Council with no recommendation.
- h. A majority of the whole seven-member Commission must vote the same way to constitute official action. In other words, four (4) members of the seven-(7) member Commission must vote to recommend either approval or denial for the motion to pass.

3. TOWN COUNCIL HEARING

In the case of a rezoning request, the Plan Commission will forward its recommendation to the Town Council for final consideration at its next meeting.
