Re: White Oak Estates Additional Stop Signs

Background

Public Works is proposing to place stop signs at the following intersections

- Somerset Drive at Windfield Drive
- Somerset Drive at Cherrywood Lane
- Burlwood Drive at Cherrywood Lane

Methodology

Portable stop signs were placed at these intersections. Data has been collected from each location. After review from Staff and the Town's engineering firm SEH, it has been determined that the installation of these stop signs is the best management practice for the town in achieving its goal to assist with the traffic calming and for the safety of its residents.

Recommendation

Hear Ordinance 2002 as presented and schedule second reading for the next regular meeting for placement and the enforcement of three new permanent stop signs in White Oak Estates at the intersections of Somerset Drive at Wind field Drive, Somerset Drive at Cherrywood Lane, and Burlwood Drive at Cherrywood Lane.
