Emily Dickinson

Lunch & Show

Emily Dickinson was born in 1830 to a prominent Amherst, Massachusetts family. Except for brief trips she lived all her life in her father's house, a mostly introverted and reclusive life. Emily wrote poetry of great power, questioning the nature of immortality and death. In spite of encouragement and opportunity, she refused to publish more than a few poems during her lifetime. After her death in 1886 her sister Lavinia discovered a box containing hundreds of poems. Her poems were first published in 1890. Emily's standing in the world of letters has continued to increase with time and she is now considered one of America's greatest poets. Betsey Means, Artistic Director of WomanLore will be performing Emily Dickinson.

Imagine the year is 1880. You are Emily's very, very special guests. You are in her bedroom at The Homestead in Amherst, Massachusetts.

Centennial Park Parking Fees

Centennial Park has established a pay-to-park system for visitors to Munster. Rates are \$2 per hour or \$5 all day. You can also purchase an annual pass for \$120 at the parking meter. Pay to Park is enforced April 1-October 31. Golfers can validate parking inside the proshop.

Munster Residents can register up to four vehicles per household each year beginning on or after March 1.

Lightning Warning System

Munster Parks and Recreation uses a lightning warning system in our parks. The signal is activated by threatening weather. You will hear an audible siren horn and see a flashing light on top of the device (typically located on shelter roofs) in the park. When the warning signal activates, all patrons must SEEK SHELTER IMMEDIATELY. Once you hear three horn signals, park activities can resume. This system is not fail-proof. Take shelter immediately when lightning threatens even if a signal has not sounded.

Active between
 April 1 and Nov. 30 annually.

Register Early

Often times participants will wait until the last minute to register for a program. Disappointment occurs because a program has been filled or possibly canceled due to low enrollment. Ensure yourself a spot and help keep our programs running by registering early.
