Subject: Defining the Nominating Committee

The Nominating Committee has been operating under previously accepted guidelines. We are recommending a formal ordinance adopting the guidelines.

RECOMMENDED ACTION

By motion and voice vote, consider Ordinance 1794, Defining the Nominating Committee, on the first reading and set second reading for March 16, 2020.

If all Counselors are present, and you choose to adopt on first reading, move to suspend the rules and waive the readings. Then, by motion and roll call vote, adopt Ordinance 1794, Defining the Nominating Committee, as presented on the first reading.
