Mr. Dustin Anderson  
Town Manager  
Town of Munster

Dear Dustin:

At the end of September, Site Services completed the construction of the NE Alley Improvements project. They have submitted the attached final Application for Payment.

Site Services is requesting payment of \$17,796.60 which constitutes the release of retainage for the project.

Site Services has addressed all punch list items and staff concerns. We recommend that the Town Council approve the release of retainage for the project. Please do not hesitate to contact me if you have any questions or require additional information.

Sincerely,

Jill E. DiTommaso, P.E.  
Engineer
