Mike,

I'll pass this along to the Town. I assume they would like the anti-graffiti coating reapplied, so good call.

And how do they know a "lady" hit the wall? I couldn't find an accident report. Do they know something we don't? Hmm....

Thanks...Lee

Lee,

Atlantic took a look at Wall #4 damage this afternoon. Below is their quote of \$3,200 to repair.

The work will take 4 days because of cure time before the next "coat" can be applied. It does include reapplying anti-graffiti coating.

Let me know if this is acceptable and I will get them on the books to start.
