Narrative	The following was written by WELLS, JOSEPH
	On Thursday, March 3, 2022 at 02:17, WELLS, JOSEPH responded to a crash on Fran Lin Pkwy 528 ft at intersection of Southwood Drive. At the time of the crash, the weather was Clear and the road surface was Dry.
	Vehicle 1, Blue Chevrolet Equinox, Maintaining path of travel. Vehicle one was travelling west bound in the 1100 block of Fran Lin Parkway when it left the traffic lane to the left, struck the curb, drove onto the raised grassy center parkway, struck a tree then struck a light pole before re-entering the west bound lane of travel and stopping.
	Driver One stated that she was driving west on Fran Lin Parkway when her cane fell over in the seat next to her. Driver One said that she leaned over to get her cane off of the passenger side floor when she inadvertently swerved off of the roadway. Driver One said that she struck the tree before she could correct her course and lost control of the vehicle so she applied the brake as hard as she could in order to stop but her vehicle also struck the light pole before coming to rest.
	Reporting officer observed damages that were consistent with Driver One's statements as well as the physical evidence of the scene.
