

MEMO

To: Munster Town Council

From: Fire Chief, Mark Hajduk

Subject: Indiana Dept of Homeland Security Training Grant

Date: November 14, 2022

The Munster Fire Department has been awarded a training grant from the Indiana department of Homeland Security. This grant is to purchase a Roof Prop and a Cut Tree Prop. The Town of Munster would purchase the 2 training props for a cost of \$8093.84 and then be reimbursed \$8093.84 from the awarded grant.

The Roof Prop is used to safely teach roof cutting techniques used to ventilate structures during a structure fire. The Cut Tree prop allows the fire fighters to become proficient in cutting chains, locks, panic bars, etc. which are all used to gain entry into structures during an emergency.
