Re: #147 vehicle replacement

Background:

The department has vehicle #147, a 2012 Ford F550 1-Ton dump truck VIN#1FDUF5HT3CEA45061. This vehicle was shown in the repair and replacement schedule to be replaced by 2018. The replacement of this item was included in the Town's 2021 general obligation bond issue.

In line with the Town's purchasing policy, three quotes were sought by the Town mechanic for this replacement vehicle which are as follows:

Sutton Ford, Matteson IL	informed us they are not taking trade-ins as the delivery time of the vehicle is unknown and any trade-in value may change – no quote offered
Bosak Ford, Chesterton IN	\$101,746.00
Paul Heuring Ford, Hobart IN	\$102,405.00

The prices include the vehicle price, government discount, truck upfitter, and trade-in. With authorization, it is likely we may not receive the vehicle until late next year due to continuing manufacturing delays.

Prices came in higher than anticipated due to the volatility of the new vehicle market. Funding from the 2021 GO bond issue would cover \$85,000 of the purchase cost with the balance of \$16,746 would come from previous park bond issue balances.

Recommendation:

Staff is recommending the purchase of a 2023 Ford F-550 (Chassis 4x4 SD regular cab) 1-ton dump truck from Bosak Ford at a cost of \$101,746.00. This will replace the 2012 Ford F550 1-ton dump truck which will be traded in as part of this transaction.
