RE: Change Order No. 2  
2022-2 CCMG Roadway and Water Main Improvements  
Beverly, Camellia, White Oak

---

### Background

On March 6, 2023, the Town Council awarded the contract for the CCMG 22-2 paving project to Milestone Contractors North, Inc. The project area is shown on the map below.

Work began on the project in May.

1005 Ridge Road • Munster, IN 46321 • (219) 836-6900 • Police/Fire Emergencies 911

Police Non-Emergency (219) 836-6600 • Fire Non-Emergency (219) 836-6960

**Methodology**

In the original scope of work for this project, the new water main on Camellia Drive was designed to connect to the existing main east of the Fran Lin Parkway right-of-way to avoid pavement replacement at this busy intersection. However, this section of main experienced two breaks within a six-month period, with the latest one occurring during the construction of this project.

While we had a contractor working in the vicinity, staff determined it would be wise to extend the new water main across the intersection, replacing this section of pipe, and connect to the main on the west side of the intersection.

The cost for this additional work is \$27,080.00 and includes the pavement patching on Fran Lin Parkway and additional maintenance of traffic needed to perform the work.

**Recommendation**

By motion and voice vote, approve Change Order No. 2 to the contract for the Paving and Water Main Improvements – White Oak, Camellia, and Beverly (CCMG 22-2) in the amount of \$27,080.00.
