

To: Board of Parks and Recreation
From: Mark Heintz – Director of Parks and Recreation
Date: August 20, 2024
Re: Social Center monitoring

It was discovered this spring that the monitoring system at the Social Center was not working. We engaged with Alert Alarm to upgrade the old equipment at a cost of \$1,195. Additionally, the monitoring of this system, which the Fire Chief informed us we are required to have, will cost \$36 per month. Staff has engaged with Alert Alarm from Merrillville, Indiana at a monthly cost of \$36 which is billed quarterly.

Since this is a recurring payment, it requires Board approval.

Recommendation:

A motion to confirm the monthly monitoring cost from Alert Alarm as shown in their May 29, 2024 proposal and direct the staff to sign the monitoring agreement.

Quote does not include fees for installation permits, false alarms, or annual registration costs, if any, levied by the jurisdiction where this system is being installed. This quote is made with the agreement of a 36-month monitoring contract to be signed. If the contract is not received by Alert Alarm within 10 days of the installation, the cost for this system is an additional \$864.00 and monitoring of the system will stop. This installation, as listed above, requires approved phone service for alarm monitoring. 50% deposit is required at time of acceptance with balance due upon completion of system installation.
