II. Public Comment

Ryan Froneyberger-9131 Columbia Avenue
Robert Wang-9121 Columbia Avenue

Both Mr. Froneyberger and Mr. Wang expressed their concerns of the speeding traffic on Columbia Avenue. It seems with the recent speed limit reductions on Fran-Lin Parkway, motorists are driving above the posted speed limit when they turn onto Columbia Avenue. Mr. Wang was also recently clipped by a vehicle while riding his motorcycle on Columbia Avenue.

Chief Scheckel stated the School Town of Munster is forming a committee with members from their organization, the Police Department and Public Works to find ways to address the issues they are experiencing in front of the high school and middle school, to include speeding. They will look at traffic patterns, different drop-off points and the possibility of raised crosswalks. The changes and upgrades made at the schools will hopefully alleviate some of these issues. They hope to have remedies in place by the beginning of the fall semester 2025. Chief Scheckel said Lt. Broelmann will initiate directed patrols in the area when possible.

V. Fire Chief's Report

Chief Hajduk stated their Annual Open House went very well and they had a good turnout. As a result of the Open House they completed fourteen (14) smoke alarm installations in town and the Red Cross completed two (2) in other towns. There was a close call on the south side of town with a generator fire. They are responding to CO2 calls which increase this time of year. Overall, the Fire Department is doing good.

VI. Police Chief's Report

Chief Scheckel informed the Board the annual Shop with a Cop event will be December 10th at 6:00 p.m. at Target. Thanks to many generous donors the department will be able to help a lot of families. The mural has been finished and sealed on Meadow Lane at Ridge Road.

A. Traditional Hiring Eligibility Register

Chief Scheckel asked the Board to certify the Traditional Hiring Eligibility Register.

Ms. Dunn motioned to certify the Traditional Hiring Eligibility Register. Dr. Dershwitz seconded the motion. All members present voted aye by roll call vote, motion approved 3-0.

Chief Scheckel stated from that list three (3) applicants will move forward and hopefully attend the academy in January. He further stated the list has now been exhausted and asked the Board to suspend the current list and permit the department to start an Emergency Hiring Process.

Ms. Dunn motioned to suspend the Traditional Hiring Eligibility Register and permit the Police Department to begin an Emergency Hiring Process. Dr. Dershwitz seconded the motion. All members present voted aye by roll call vote, motion approved 3-0.

Mr. Westland informed the Board that in July of last year the state changed the statute on the makeup of a municipal Board of Safety. The Town Council and Police Officers had to determine whether or not they wanted to reimagine the Board and go to a merit-based system. Town Council and Police Officers voted by majority, separately, to keep the process of the Board of Safety members being appointed by the Town Council. The Council passed a resolution in September and the officers voted November 6th, to keep the Board of Safety in place.
