Re: 2025 Water Department Sidewalk Repairs

Background

During the late fall and winter months of 2024 and 2025 watermain breaks have caused damage to sidewalks. In the spring, these repairs are made by a contractor in the order of when the damage occurred in the fall and winter. Quotes were requested from three vendors, L2 Incorporated, Sylvio Giannini Cement Work, Inc and Lambert Concrete. Lambert Concrete declined to bid due to the amount of work they currently have. There are fourteen addresses that need to be repaired and have been quoted.

Methodology

Below are the proposals received and the total cost for repair sites.

Company Name	Total Cost for Repairs
L2 Incorporated	\$23,211.71
Sylvio Giannini Cement	\$39,400.00
Lambert Concrete	No proposal

Funding

The sidewalk repairs for the water department will be funded by account number 6101-37001-63105.

Recommendation

By motion and roll call vote approve L2 Inc's proposal in the amount of \$23,211.71 for the water department's sidewalk repairs.
