Re: OHM Contract 2025 Stormwater Support

Background

The Town of Munster employs the services of Reggie Korthals from OHM Advisors to assist with Stormwater Support, otherwise known as MS4 services. OHM Advisors had a contract for services in 2024 for \$40,000 with the Town.

Methodology

Bob Valois, the Director of Public Works, is a MS4 Compliance & Enforcement Certified Inspector. There are three employees in the Public Works Department, who are MS4 Certified Inspectors. Due to the increased level of knowledge regarding the requirements of MS4 in the Public Works Department it was determined the amount of supplemental services needed from OHM Advisors could be reduced to an amount not to exceed \$20,000 for Reggie Korthals professional services regarding MS4.

Funding

The funding for the contract will come from account 2580-30901-63104.

Recommendation

By motion and roll call vote approve the OHM Advisors proposal for Stormwater Support in an amount not to exceed \$20,000 for 2025.
