Dear Ms. Abbott

On Thursday June 12, 2025, bids were received and read aloud for the CCMG 25-1 Paving and Watermain Improvements project. The project consists of watermain installation, pavement milling, subbase repair, concrete curb replacement, sidewalk and curb ramp removal and replacement, asphalt paving, and striping on Harrison Ave, Lilac Ln, Timberwood Ln, Somerset Dr, Cobblestone Rd, Westminster Ln, & Cornwallis Ln. The project was publicly bid pursuant to state and local bidding regulations. The project is being funded through the Community Crossings Matching Grant (CCMG) program with up to \$1,500,000.00 in matching funds from INDOT.

Two bids were received for the project. The bids were reviewed and tabulated by SEH on the attached Bid Tabulation.

Contractor	Bid Amount
Milestone Contractors, L.P	\$2,621,704.00
Rieth-Riley Construction Co., Inc.	\$2,855,300.95
Engineer's Estimate	\$3,299,908.00

As a part of their bid, bidders represent that they visited the site; reviewed all bidding documents; have given the Engineer or Owner written notice of any conflicts, errors, ambiguities, or discrepancies found in the Bidding Documents; are able to complete the work in the timeframe provided; and that the bid documents were sufficient to convey the requirements of the project.

Our recommendation is to award the project to the lowest responsive, responsible bidder, Milestone Contractors, L.P., for a total of \$2,621,704.00. In our opinion Milestone Contractors L.P. is fully capable of performing the required work for this project. Please note that this recommendation is subject to the review and opinion of the town attorney.

Other items the Council should consider in review of the bids:

- Language included in in Document 00 21 13 – Instructions to Bidders, Article 19.02: *If Owner awards the Contract for the Work, such award shall be to the responsible Bidder submitting the lowest responsive Bid. Owner may also reject the Bid of any bidder if Owner believes that it would not be in the best interest of the Project to make an award to that Bidder.*
- The eligible CCMG items total \$2,469,204.00. CCMG funds will pay for half of these costs up to the grant amount of \$1,500,000.00. At the current contract price this would be \$1,234,602.00 of grant funds being utilized.
- The Town's projected total cost for the project is \$1,387,102.00
