

Ead's Elementary recommendations

- Adding flashing speed limit signs posted at 20 MPH during school hours

- Restripe the crosswalks with Piano Keys instead of the solid white lines like shown in the picture on Jackson St and Broadmoor.

Elliot Elementary recommendations

- On 35th street at White Oak there are solid white lines for crosswalks, we recommend changing these to piano key's for more visible attention and adding flashing lights for pedest to emphasize more on the crosswalk

- On White Oak we have school speed limit 20 MPH signs, add flashing lights to that sign to emphasize speed limit around the school for the school hours only

F.H. Hammond recommendations

- Add flashing lights to all crosswalks on Fran Lin at Oriole, Southwood, and Elmwood like this one on Fran Lin heading towards Southwood

- There is one Flashing speed limit sign on Fran Lin near the Southwood entrance, adding one at Oriole and One near elmwood to show school limits for the speed limit for school hours only.
- Adding flashing lights at the crosswalks on Oriole at Southwood Dr, Marigold, and Elmwood
- Adding flashing lights at the crosswalk entrance on elmwood at Magnolia for the crosswalk
- Changing solid white paint lines for the crosswalks around the school to Piano Key style for more visible attention
- Changing the white solid lines for the crosswalks to Piano keys for visible attention

Munster High School

- Changing the solid white lines to a more visible Piano Key style for attention at Fisher St. and 35th St.

- There is one flashing light for pedestrian crossing at the high school entrance, add a reduced speed limit flashing light to slow vehicles down at both entrances for the high school for school hours only

- Redo the custom crosswalk at the entrance of the high school

Wilbur Wright Middle School

- Change the solid white lines to Piano Keys for crosswalks at 35th on all four corners

- Need to add a flashing speed limit 20mph in front of the school for during school hours
