Notes:

- **Due to volatile market prices this proposal is valid for 30 days.**
- **Proposed items can not be removed from total proposal package without prior written consent.**
- Any additional work not included in this proposal requires signed authorization from the project owner or a representative of the project owner before the additional work can proceed. Additional work shall be billed on a time and material basis or agreed unit price.
- If there should exist any other contract document, these terms and conditions shall be in addition to the contract. Due to the specific nature of the work, if there are conflicts or discrepancies, these terms and conditions shall preempt any and all other documents.
- The above prices do not include any permit fees, licensing fees or bonds if required.
- Upon the commencement of our scope of work, it is agreed that the Job Site Subgrade will be within a tenth of one foot of proposed subgrade, unless otherwise deemed acceptable in writing by M & J Underground, Inc / Sunset Sewer & Water Inc
- M&J Underground / Sunset Sewer & Water will perform one punch list, which is to be received by M&J Underground / Sunset Sewer & Water from the local government agency within 30 days of final invoice. Any subsequent punch list will be invoiced on a time and material basis.
- Not responsible for dewatering which cannot be accomplished by use of standard 3" trash-pump. All construction staking/layout to be performed by others. We are not responsible for changes due to conflicting grades, utilities and/or elevations. We are not responsible for the determination of design crossing conflicts.
- M&J Underground / Sunset Sewer & Water will not be responsible for any delays or additional cost due to: Labor disputes, unavailability of materials, weather conditions, emergencies or damage to utility services that occur during the installation.
- A crew rate of \$900.00/hour will be charge for any downtime caused due to utility conflicts beyond M&J Underground, Inc / Sunset Sewer & Water Inc control. We are not responsible for damages or losses from hits of unmarked underground utilities. Locating privately owned utility lines will be the responsibility of the owner.

- Not responsible for damage to existing trees, bushes, shrubs, flowers, sod, etc. Said installation shall not include any landscape replacement of any kind. No removal of excess dirt. Dirt is to be mounded over and next to trenches. If the contract contains material/spoil removal, we are never responsible for the removal of contaminated material/soil. No asphalt and/or pavement and/or concrete replacement. No sawcutting is included in this proposal.
- Soil condition/changes in conditions (if applicable): Proposed auger boring is based on machine boring in suitable, dry sand or clay soils. In the event that rock, boulders, debris, flowing materials or other unsuitable materials are encountered, which in our opinion prohibit boring, owner agrees to reimburse M&J Underground, Inc / Sunset Sewer & Water, Inc for costs incurred attempting to accomplish the crossing. M&J Underground, Inc / Sunset Sewer & Water Inc will not be responsible for any voids created outside the casing while boring or tunneling through gravel, cobbles or unstable soil. If owner requests that a crossing be completed by means other than auger boring, a change in price will be negotiated which is mutually agreeable to both parties. If occasional cobbles are encountered and impassable by boring, additional cost for removal or attempted removal of the same will be billed at an hourly rate. If crossing waterway, owner will ensure that there is sufficient cover to prevent any infiltration of water or loss of overburden. Prices do not include provisions for working in or adjacent to contaminated or hazardous materials.
- No traffic control is included in this contract proposal. Unless otherwise stated.
- No erosion control is included in this contract proposal. Unless otherwise stated.
- Not responsible for testing or compaction for sewer or water. Not responsible for QC or QA of concrete, asphalt and or aggregates. Not responsible for soil testing for CCDD disposal facilities unless otherwise stated.
- Not Responsible for UPI Forms or flushing of Watermain for fire protection flow test.
- One mobilization to jobsite is included. Additional mobilizations (Not due to this contractors schedule) will be charged at \$2000/each.
- Structural Improvements (Not present at the time of this proposal) that hinders work performance will subject the project to additional charges.
- Any delays incurred after the commencement of this contract, through no fault of M & J Underground, Inc / Sunset Sewer & Water, Inc may require an adjustment to the prices in this proposal.
- If a portion of this contract is found to be illegal or unenforceable, it shall not make void or voidable the entire contract.
- M & J Underground, Inc / Sunset Sewer & Water, Inc shall provide Certificates of Insurance and include others as additional insured upon request only. Any other insurance requirements above and beyond our current coverage required by for the project not specifically mentioned in our proposal will be an addition to our proposed contract amount.
