Meeting: August 4, 2025

Re: Morbark Chipper purchase

Background

Public Works seeks to purchase a new 2025 Morbark Eger Beaver Brush Chipper from Alexander Equipment Company, Inc.

Methodology

The Alexander Equipment Company quote is for a 2025 Morbark Eger Beaver 2131-TA Brush Chipper for \$129,955.35. Public Works currently has 2 chippers. The additional chipper is necessary due to the volume of brush collected at the residential curbs. The current 2 chippers are nearing their life expectancy and this additional chipper will be a backup if there is a mechanical issue with the existing chippers.

Budget Note

The funding for the Morbark Chipper will come from the 2024 G.O. Bond, 4413-9152124-64440.

Recommendation:

By motion and roll call vote approve the purchase of a Morbark Eger Beaver 2131-TA Brush Chipper from Alexander Equipment Company in the amount of \$129,955.35.
