Re: Ordinance 1994 Additional Appropriations (5)

The first reading on the ordinance was held at the October 6th, 2025, meeting. Additional appropriations were sought in four funds: Local Income Tax Economic Development, Cumulative Capital Improvement, Water Depreciation, & Consumer Water Deposit

The procedure for securing additional appropriations requires a public hearing, scheduled for this evening, and the adoption of an ordinance by the Town Council. The Cumulative Capital Improvement Fund is considered a controlled fund. Once the ordinance is adopted, the request will be submitted to the Department of Local Government Finance which will issue its determination within ten days. The appropriations for all the other funds will go into effect upon passage of the ordinance.

RECOMMENDED ACTION:

Conduct a public hearing on the proposed additional appropriations.

By motion and roll-call vote, approve introduced Ordinance 1994 as presented.
