

Request Letter

Park Board,

Munster Soccer Club is requesting the Park Board to allow us to engage a food truck to setup at West Lakes Park on Game Days during the 2026 season. The vendor will be entirely self-contained, carry a valid Lake County Health dept permit, carry insurance, be responsible for all trash at the end of the day, and will park in a area designated by the MSC and the Munster Parks Department. Ideally this would be in the parking lot on the north end of West Lakes Park.

The spring season will be begin April 11th and run on a few Saturdays and Sundays until the end of May. Then again for the Fall Season starting at the end of August until end of October. We would like to offer our fans the chance to have food or drink if they stay at the fields for multiple hours or games. I would anticipate the food vendor to stay there from noon until the completion of the last game on those dates. They will vacate the park at the end of the last game. The vendor will not be permitted to sell glass containers. The vendor will also complete the necessary permit with Munster Parks for each date requested.

Thank you for your consideration.

Munster Soccer Club
