

## **THE UNITED STATES BUREAU OF THE CENSUS WILL BEGIN THE 2010 CENSUS CAMPAIGN MID-MARCH**

Questionnaires for the 2010 Census will be delivered to every residence in the United States and Puerto Rico by mid-March. When you receive yours, just answer the ten short questions and then mail the form back in the postage-paid envelope provided. If you don't mail the form back, you may receive a visit from a census taker, who will ask you the questions from the form.

When you fill out the census form, you're making a statement about what resources our community needs going forward.

The 2010 Census will help communities receive more than \$400 billion in federal funds each year for things like bridges, roadways, public works projects, emergency services, hospitals, schools, and more.

The data collected by the census also help determine the number of seats our state has in the U.S. House of Representatives.
