# Centennial Park

Centennial Park is a 200 acre park that was originally the site of the National Brick Company. Beginning in 1905, much of the site was used as a landfill. The Town of Munster purchased the area in 1968. The northern most area and the 42 acre lake to the east was donated by Community Foundation, the parent company of Community Hospital in the early 1990's

The Town began planning for the reclamation of the site from the mid-1970s. The Park that you are enjoying is the result of a plan that was conceived in the 1990s and finalized before construction began in 2006. The landfill was closed in July 2004.

The Park was dedicated on July 1, 2007. You can truly make your mark on Centennial Park by sponsoring any number of the amenities listed in this brochure. All donations are tax deductible. We appreciate your support for this community treasure and invite you to come back often.

**CENTENNIAL PARK**  
*-an eco-friendly environment-*

The Town of Munster and the Munster Civic Foundation, Inc. are pleased to offer you an opportunity to participate in this beautification project for Centennial Park Plaza. This half round public plaza is 50-feet across and will be the gateway to the Amphitheater and other pathways in the park. This area will be paved with engraved brick pavers that commemorate individual contributions to Munster's next 100 years!

You can purchase a 4 x 8 or 8 x 8 brick with an engraving on it and receive lasting recognition for your generosity.

Personalized bricks are a unique way to honor loved ones, commemorate special events, recognize social groups, youth athletic teams, businesses and not-for-profit groups, as well as a way to contribute to this exciting project.

To order any of the Centennial Promotional Products, call or stop by the Munster Town Hall or visit our website at [www.munster.org](http://www.munster.org)
