

## **MEMO**

**TO:** Park Board

**FROM:** Greg Vitale, Director of Parks and Recreation

**Date:** July 10, 2018

**Re:** Frank H. Hammond Park Tennis Resurfacing

---

The tennis courts at Frank H. Hammond Park have finally been resurfaced. The work was delayed due to a wet late May and Early June. The repair work includes Armor crack fill, which extends the life of the repair cracks. A before and after pictorial is included in the agenda.
