

To: Dustin Anderson – Town Manager
From: Stephen Gunty – Director of Public Works
Meeting: September 3, 2019
Re: Town Hall Sidewalk and Curb Replacement Proposal

A Request for Quote (attached) was sent via email to 4 contractors; Walsh & Kelly, Rieth-Riley, Gariup Construction and J.J. Newell for concrete sidewalk and curb replacement and installation of ADA ramps and ADA plates with an August 23, 2019 deadline for submission. The following 2 contractors responded with quotes (attached) as follows:

- Gariup Construction = \$18,750
- J.J. Newell = \$8,028 (subject to actual quantity required after demolition)

After review, the quotes are viewed as responsive and responsible and J.J. Newell is the lowest priced and the recommended contractor.

Recommendation: By motion and voice vote, approve the Town Hall sidewalk and curb replacement quote from J.J. Newell for a total cost not to exceed \$8,100 (rounded up to allow for actual quantity required after demolition).
