Itemized Proposal for 1 certified dual purpose K-9 Malinois

Description of Service:

Advanced Detection will provide the Munster Police Department with one (1) certified and fully trained dual purpose Malinois. The training will take approximately eight (8) weeks. The training will occur at our facility located in Lynwood Illinois. Purchase includes 6-8 weeks of Handler Training.

K-9 Safety Vest and First Aid Kit with Narcan: Advanced Detection in cooperation with Protecting K-9 Heroes will provide a new vest and kit at no additional charge for the dog when it is ready for service with the Department.

Kenneling: Advanced Detection will board the proposed police K-9 at NO CHARGE for the duration of the time the K-9 is employed with the Munster Police Department, and the Munster Police Department is a customer of Advanced Detection.

Once the initial training and certification have been completed, the handler and K-9 will continue training at our facility. The number of days spent training per month will be proportioned not to exceed a maximum of 16 hours of training per month. Training will be tailored specifically for the handler and his / her dog. Our monthly training fee is reduced to \$ 250 per month per dog. This is a discounted rate based on the agreement of the purchase of a second dog from our facility. Contract period is for one year. Training will be billed to the Munster Police Department on a quarterly basis.

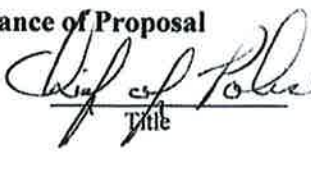

Cost:

Discounted Price for Munster Police Department \$ 10,000.00
(Monthly Training not included in purchase price)

Terms:

\$ 6,500 down payment with the balance due upon completion of training and certification.
