Re: Purchase New 2021 Dump Truck replacing Unit 362

Munster Public Works seeks to purchase one new 2021 Tandem Axle Dump Truck with Snowplow, Pre-Wet Hydraulics and V box Spreader in order to replace one in the fleet (#362) 2011 International 7400 Tandem Axle Dump Body Truck with Snowplow, Hydraulics, V Box Salt Spreader and Pre-Wet which is scheduled for replacement. Separate prices with trade-in credit, as follows:

Trans Chicago Truck Group, Gary, IN

| | |
|--------------|------------------|
| Price | \$197,692 |
| Trade in | <u>\$ 21,500</u> |
| Total | \$176,192 |

Rush Truck Center, Gary, IN

| | |
|--------------|------------------|
| Price | \$194,555 |
| Trade in | <u>\$ 27,000</u> |
| Total | \$167,555 |

Budget Note: There are appropriate funds available from the 2019 General Obligation Bond for this purpose.

Recommendation: By motion and voice vote, approve (1) 2021 Tandem Axle Dump Truck with Snowplow, Pre-Wet Hydraulics and V Box Spreader purchase for a net price after trade-ins of \$167,555 from Rush Truck Center to replace Unit #362.
