

## MEMO

TO: Dustin Anderson – Town Manager

FROM: Stephen Gunty – Director of Public Works

SUBJECT: 2021 Lake, Pond & Ditch Maintenance Program for Aquatic Vegetation

MEETING  
DATE: March 15, 2021

---

---

On March 5, 2021 a quote for the 2021 Lake, Pond & Ditch Maintenance Program for Aquatic Vegetation was received from Aquatic Control.

The maintenance includes inspections and treatments for the following locations:

- West Lakes Subdivision – 1 lake, 4 ponds
- White Oak Estates Subdivision – 5 ponds
- White Oak Woods – 1 pond
- Centennial Park (Maynard Lake) – 1 lake
- Schoon Ditch (at Fisher Street between Calumet & Columbia Avenues)

Aquatic Control has extended their 2018 pricing of \$21,637.00 for 2021, discounted to \$20,987.89 if paid by April 1. This program will be funded by the Sewer Operating Budget and covers Annual Lake, Pond & Ditch Maintenance, not fountain maintenance that is covered under a separate contract.

**Recommendation:** By motion and roll call vote, approve and authorize Proposal #294782 from Aquatic Control for the 2021 Custom Vegetation Management Program for a cost of \$20,987.89 by April 1, 2021.
