

**Munster Police  
Department**

# Memo

**To:** Munster Town Council  
**From:** Chief of Police Stephen F. Scheckel  
**cc:** Town Manager Dustin Anderson  
**Date:** April 5, 2021  
**Re:** Purchase of Additional Body Cameras

---

The Police Department is requesting to purchase four (4) additional body cameras, and four (4) additional signal sidearms, with TAP warranty for six (6) years. This is in addition to the purchase of forty (40) body cameras and supporting equipment, which the Town Council previously approved. The total cost would be an additional \$9,840.00 over six (6) years.

The additional equipment will be issued to the Police Department's Administration. Our original contract only covered the sworn officers working the road and detectives out working cases. It was determined after the contract was signed that the Administration would require body cameras in the event of major or special events.

**Recommendation:**

By roll call vote authorize the addition of four (4) body cameras and supporting warranty services to the Axon Body Camera contract for six (6) years, not to exceed \$9,840.00.
