

OPENING REMARKS FOR CDBG PUBLIC HEARING

Each spring, the Lake County Community Economic Development Department applies to the U.S. Department of Housing and Urban Development (HUD) for new funding through the Community Development Block Grant program (CDBG).

One of the application requirements is to hold public hearings in the communities where CDBG funding is allocated in order to obtain input from the local citizens on the proposed use(s) of the new funding. For FY2021, the Town of Munster CDBG allocation is approximately \$103,712.00.

The most common use of CDBG funds is for infrastructure, including street reconstruction, sanitary sewers, water line extensions, storm drainage improvements, sidewalks, and projects to remove architectural barriers (handicapped access), such as curb cuts and wheelchair ramps. CDBG funds may also be used to eliminate slums and blight through demolition of unsafe buildings or other clearance activities.

CDBG funded infrastructure projects may only be done in areas where the neighborhood is at least **42%** low/moderate income according to HUD guidelines. In most cases, an income survey must be done to qualify the area for funding eligibility. The income information taken by the survey is strictly confidential, and is used solely for the purpose of determining the area's eligibility for CDBG funding.

Handicapped access projects and demolition may be done anywhere in a community, without the need for area income determinations.

The public hearing is just the start of the application process for Lake County. There are a series of legal advertisements and comment periods that take place during the summer, prior to final grant approval from HUD in late August. New CDBG funding is released to the County and its entitlement communities on or around **September 1st** and **needs to be expended by June 15th** of the following year.

After public comment tonight, three documents need to be read and adopted: the Affirmative Action Program, Section 3 Understanding, and a Resolution authorizing the City/Town Executive to submit a project proposal for CDBG funding.

Finally Project Applications, and supporting documentation, need to be submitted no later than **May 21, 2021** for review by Lake County.

The floor is open for comments.
