**Re:** Hasse Construction Rental

---

At the July 19<sup>th</sup> Town Council meeting, the Council approved the rental of a Hitachi 270 excavator for one week at a base rate of \$2,800.00 to help clear the ditch system of overgrowth of brush and trees in the West Lakes subdivision to reduce the water level in Carnaby Pond. Incidental costs were unknown at the time consisting of delivery/pickup, permit & fees, equipment cleaning and operator labor. The total equipment costs were calculated by Hasse Construction that includes these incidental costs of \$771.40 resulting in a final invoice of \$3,571.40. This is an overage of \$771.40 beyond the base rental fee of \$2,800.00.

**Recommendation:** By motion and voice vote, approve the final invoice from Hasse Construction in the amount of \$3,571.40 to be paid from account 280-30901-63105.
