Re: Resolution 2095: Waiver of Fees for NNO Event

This year the Munster Police Department and the Choice Community Council will hold the 27th Annual National Night Out Event on August 2, 2022. This event has grown every year, and this year the organizers are encouraging residents to hold block parties on the Saturday preceding the event.

Under Town Code, a block party requires an application, a damage deposit of \$250.00, and a fee of \$100.00 for Public Works employees to deliver traffic barricades. Residents have the option to collect and return the barricades themselves for no charge.

In order to encourage and facilitate the block parties, it has been requested that both of these fees be waived. The application process is the same, and Public Works staff will still deliver the barricades.

Resolution 2095 has been drafted for this purpose.

RECOMMENDED ACTION:

By motion and roll call vote, adopt Resolution 2095 as presented this evening.
