

# Memo

**To:** Munster Town Council

**From:** Lt. Dan Broelmann

**Date:** September 1st, 2022

**Re:** Squad Car Purchasing

---

I am requesting the Munster Town Council authorize the purchasing process for four (4) Ford Interceptor AWD vehicles to be used for the patrol division and code enforcement of the Munster Police department. I will be using the statewide QPA program and will go through Bloomington Ford once again. Once I get all the quotes and trade in values for the four (4) vehicles we are replacing, I will let the council know the specific costs and the lease purchase payments for all of the cars and equipment.

## Recommendation

By motion and voice vote, authorize the Police Department to open the purchasing process for new police vehicles.
